We hope you are having a great day. We have a lot of exciting plans coming up over the next few months. In addition to the Street Fair and WO Idol we will be holding Downtown Thursday's all summer long. This event will highlight different sections of our downtown with special events to help encourage people to visit your store.

### Here is the downtown Thursday schedule:

**Eagle Rock - July 11th & August 8th**

**Tory Corner - July 18th & August 15th**

**St. Marks - July 25th & August 22nd**

**The Valley - August 1st & August 29th**

We are asking all business' to create a fun offer to attract people to your store or restaurant. The offer can be something similar to: Get one free item with any meal purchase, \$10 off one item from your inventory or 15% off your total bill. We can help you create an offer that is attractive but is in line with your business plan and won't break the bank. But we would like a substantial offer. Not sure what to offer, Call us !!! *megan Brill*
